FAQs

Why is there a 90-day waiting period?

Coverage becomes active 90 days after your start date to keep the membership affordable, fair to every dog, and sustainable for all members long-term

Is every dog eligible?

Yes, unless a dog is already legally required to be removed from the home; we are not a legal override.

What if I cancel and rejoin later?

We get it, you may not need Canine Coverage at every stage. If you decide to cancel and come back, we'll be happy to have you on. Just know that you'll have a new 90-day waiting period for every time you rejoin.

Is there a limit to how serious the claim can be?

No. We specialize in the dogs that everyone else says are "too far gone."
